Dear Nibley Citizens:

From the Mayor

December is one of my favorite months of the year. There are so many fun activities that happen during the month. We are able to gather as families and celebrate all that is good in life. Some of my best family traditions happen over the holidays. I look forward to camping, skiing, and the warmth of my fireplace as we read books, play games, and celebrate all that is right with the world. Have a wonderful holiday season.

I congratulate all of the candidates for public office. Thank you for running for office and sharing your ideas and concerns for Nibley City. We always have a civil debate during our elections. I appreciate the comments, suggestions, and civility of each resident in this wonderful community. Please continue to give your input on city affairs. We have made a lot of improvements over the past few years and will continue to make Nibley a better place to live.

I have attended several conferences over the past month discussing how to make life in Cache Valley better. These range from improving highway safety to developing better growth patterns. Overwhelmingly, when the question is asked, "How can we improve?," the answer given is through better education. I believe that the better we understand a given situation, the better decisions we make. Our choices are made based on the knowledge we have. For this reason, I spend a lot of time in these newsletter articles encouraging you to get involved with city government so you can help us make wise choices. I also believe that the role of local government is to improve your 'standard of living.'

There are many things Nibley City does for each resident to enhance your life style. We wish to continue improving your standard of living by improving the quality of all the services we provide. I believe you can help us improve these services but first you must know what services we provide. I will be introducing a new awareness campaign called, "Making Life Better." Through this program, I hope to educate the residents of Nibley about how Nibley City makes life better. So watch the newsletter for more information.

I am a very competitive person, so maybe a competition is in order. If you have taken the time to read this newsletter article, you could win a dinner for two with the mayor and his lovely wife to a local restaurant of your choice. To enter the competition you must email, or drop off at the City Office, your list of 10 or more ways Nibley City makes your life better. Please include your name and phone number. I will hold a drawing on 15 December to pick the winner from all entries.

To start your thought process, I want to mention one way I believe Nibley has made my life better and that is with the median planters on 800 West and 3200

South. They are an excellent traffic calming device, which makes travel along these roads safer and more beautiful. We have installed the first of the landscaping for these medians. Drive by and take a look for yourself. Nibley is a beautiful place.

Good luck on the contest and don't hesitate to share your improvement ideas with me (email: gkktrudy@msn.com).

SECOND ANNUAL LIVE NATIVITY - MORGAN FARM

The *Second Annual Live Nativity at the Morgan Farm* (located at 2800 S. 800 W., Nibley) will be held three nights this year.

Friday, December 4th, from 5:00 - 9:00 p.m.,
Saturday, December 5th, from 3:00 - 9:00 p.m., and
Monday, December 7th, from 5:00 - 9:00 p.m.

The mission of the Live Nativity at Morgan Farm is to give everyone an opportunity to contemplate the humble circumstances of the Savior's birth while enjoying a hay ride, caroling, and watching Moses (the camel), a miniature donkey (and her baby), and other farm animals. The event is privately sponsored and welcomes people of all faith.

This year's event will be held to benefit the *Cache Food Pantry* and *Options for Independence*. Options for Independence is a non-profit organization that helps people with disabilities live and work independently in the Cache, Rich, and Box Elder County communities.

Admission will be one canned food item per person or \$1 per person / \$5 per family. More generous donations will be gladly accepted. Donation slips for \$10 or more can be given for your taxes. The Willow Valley Singers will be performing on Monday night and we hope to have other groups and/or choirs for the other nights.

Volunteers are needed to play the non-speaking roles associated with the traditional Nativity. We are also looking for church or private choirs to enhance this year's event. Call Trudy Knight to volunteer as an actor at 755-9675 or Richard Eversull to volunteer for choirs or individual performance at 755-5971.
