RESOLUTION 14-05

A RESOLUTION PROCLAIMING APRIL 2014 AS CHILD ABUSE PREVENTION MONTH IN NIBLEY

BE IT RESOLVED BY THE CITY COUNCIL OF NIBLEY CITY, STATE OF UTAH, AS FOLLOWS:

Whereas, the work of raising children in Cache Valley and empowering them to thrive stands among our greatest responsibilities as parents and community leaders; and

Whereas, all Cache Valley children deserve to experience and enjoy the innocence of childhood in a safe and nurturing environment, free from abuse and neglect; and

Whereas, child abuse—which robs children of this inalienable right—affects hundreds of Cache Valley's children annually, often impacting them negatively for the rest of their lives; and

Whereas, physical, verbal, emotional, and sexual abuse are serious and growing problems that respect no religious, socioeconomic, or geographic boundaries; and

Whereas, child abuse is often related to substance abuse, domestic violence, and other crimes that weaken families; and

Whereas, preventing child abuse depends on the efforts of all Cache Valley residents to collectively recommit to providing care, stability, and a brighter future for our sons and daughters; and

Whereas, each citizen of Nibley, Utah can play an integral role in preventing child abuse within their respective families, neighborhoods, and communities through education, involvement, and advocacy; and

Whereas, decreasing the incidence of child abuse makes a positive, substantial impact on the children of today, paving the way for them to succeed as the leaders of tomorrow; and

Whereas, effective child abuse prevention programs rely on community partnerships among individuals, families, municipalities, social service agencies, schools, religious and civic organizations, law enforcement, and the business community.

Now, therefore, be it resolved, that Nibley City hereby proclaims the month of April 2014 to be Child Abuse Prevention Month.

Be it further resolved, that the Mayor of Nibley and its City Council hereby commend this observance during April 2014 to the citizens of this municipality, actively promoting and improving public awareness; encouraging responsible intervention; and supporting the collaborative mission of *Strengthening Families and Protecting Children*.

20 City Design Standards & Specifications and other applicable federal, state and local regulations.
21
- 22 C. The City shall review the plats for design; for conformity to the Nibley City general plan and to the land
23 use ordinance; for the environmental quality of the subdivision design; and shall process the subdivision
24 plats and reports as provided for in this title.
25
- 26 D. Proposed subdivisions shall be referred by the City to such City departments and special districts,
27 governmental boards, bureaus, utility companies, and other agencies which will provide public and
28 private facilities and services to the subdivision for their information and comment. The City is

30 to which agencies to refer the proposed subdivisions.
31
- 32 E. The City engineer shall make comments as to engineering requirements for plans submitted for
33 construction, including, but not limited to, street widths, grades, alignments and flood control, whether

41 commission shall recommend approval, approval with conditions, or denial of the preliminary and final
42 plats to the City Council.
43

1 G. The City, in conjunction with the City engineer and City attorney, shall approve the form of the final
2 plat, that the subdivider dedicating land for use of the public is the owner of record, and that the land is
3 free and clear of unacceptable encumbrances according to the title report.
4

5 H. The Nibley City Council has final jurisdiction in the approval of subdivision plats; the establishment of
6 requirements for and design standards of public improvements; and the acceptance of lands and public
7 improvements that may be proposed for dedication.
8

9 11-1-5: SITE PREPARATION AND WORK PROHIBITED

10
11 No excavation, grading or regarding, or removal of vegetation for a proposed subdivision shall take place

13 City Council.

14

25 a subdivision shall be effective for a period of one year from the date of approval by the City Council, or
26 their designee. If the applicant has not recorded the plat or, in the case of the preliminary plat, a final plat
27 for a phase of the subdivision, within that one year period, the City shall provide thirty (30) days' notice to
28 the applicant and thereafter, the approval shall be void. Applicants shall then be required to submit a new
29 application for review and approval, subject to local, state and federal laws and ordinances in effect at the
30 time of the new submittal.
31

32 11-1-8: PHASING

36 from the date of preliminary approval to present the first phase for final approval.
37

38 Following the approval of the final plat for the first phase of the subdivisions, subdividers shall have a year

42 notice to the applicant and thereafter, the approval shall be void. Applicants shall then be required to

44 effect at the time of the new submittal.
45
46

25 specified under the provisions of this title are hereby designated and authorized as the agencies charged
26 with the enforcement of the provisions of this title and shall enter such actions in court as are necessary.
